Make of me Your humble servant Draw me to Your precious Word  
Like a fountain flowing freely Wash my tender heart with truth  
In Your law my life is founded In its comfort I find rest  
Such reward I find in Your ways righteous-ness is now my own

5 C Dm Em G C

Teach me knowledge, good discernment I delight to know and learn  
With a passion growing deeply Your commands, my life, my food  
In its path my feet are grounded In its goodness I am blessed  
Such a treasure for all my days Till I bend before the throne

Let me be a faithful steward Grow Your Word in me  
Like a stream that never ceases Grow Your Word in me  
In its wisdom let me prosper Grow Your Word in me  
On this earth and for Your kingdom Grow Your Word in me
